²Some applications in the Learning suite are available as a free download

³There is no Teacher Work at Home option with the perpetual license. Check with AERs for other options

⁴ Outside of the T4 agreement the schools can purchase with any AER

⁵ Offer only available to T4 teachers. Contact NCTE for further details .

⁶ www.Software4students.ie and www.studentsoftware.ie for more details.

“But my school is part of DEIS/PIL/VEC Alliance Agreement/....”

DEIS

- Schools will be entitled to license Learning Suite at the price of €35 per year per PC or a perpetual licence from any AER

Partners in Learning

- Schools will be entitled to license Learning Suite at the price of €35 per year per PC or a perpetual licence from any AER

VEC Alliance Agreement

- The T4 agreement sits in parallel with any VEC Alliance Agreement. Contact local VEC for terms of Alliance Agreement

NAPD

- Microsoft Learning Suite is available to be extended to other PCs in the school and to PCs in schools not currently offering Technology subjects. This offer may be availed of on the same basis as the T4 agreement from Dell
